## Sustainability Starts with me

SSDB Connect Session  
25 Feb 2022

# PRESCHOOL Market

Preschool Market is a one-stop preschool consultancy company that provides B2B solutions and services for preschools and organisations such as teacher training, student programs, curriculum development, resource support, events management and other customised early childhood sector-related work.

Preschool Market is also a registered social enterprise committed to assisting underprivileged kids and their families. We believe that every child should have equal access to opportunities in learning and education, and reaching their maximum potential in life regardless of their socio-economical status

and many more

# What We Do

## One-stop Preschool consulting services

## **Our Social Good**

**Helping underprivileged Preschool children and their families (food, education, well-being), financial support)**

**Promoting sustainability and care for environment. An advocate for Zero-waste national campaign.**

## Kindred Studio - Recyclables Hub For Preschools

**TEMASEK  
FOUNDATION**

**Kindred Studio is an initiative supported by Temasek Foundation Nurtures. It is established to create and promote sustainability in the community through best practices and green initiatives. With a focus on environmental sustainability and helping underprivileged children, Kindred Studio SG is the first co-working lab and resource-sharing hub for preschool educators and the general public. We hope to lead and inspire the community by spearheading meaningful green projects.**

# Start Small Dream Big

2022 Projects

We would like to invite SSDB participating preschools to be part of Kindred Community to BE CREATIVE and DO GOOD for the Community using sustainable materials.

# Start Small Dream Big

## 2022 Projects

### Kindred Studio:

- ❖ Recyclables Hub for Preschools
- ❖ A wide variety of raw materials and clean recyclables sponsored by community partners
- ❖ Easy-to-reserve for the items that **you need**
- ❖ Workshops on Pedagogy for sustainable education will be introduced.
- ❖ Our team will work with educators to create creative learning materials.
