SERVICE LEARNING

Flag Day 2019

Virtual Programme – Children interacted with Elderly. They did a tutorial on making sensory pouches for people with dementia.

Start Small & Dream Big (SSDB)

- **Messages:**

*We aim to create awareness in children that there are different ways to show that we care. **Starting with the people around them, children will be able to learn how to show care towards their family members, the elderly and people with visual or physical constraints.***

- **Key Learnings from the activities:**

Show empathy and understand how another person feels.

Develop awareness of available safety resources.

Show awareness of safe and unsafe behaviours and settings.

Start Small & Dream Big (SSDB)

Activity 1: Happenings Around Me!

- Learning Objective: Children will learn and understand how other people feel.
- Materials: Find pictures from newspapers that show people in a situation where feelings are depicted.

Children to watch and listen attentively. Ask the children how would they feel if they are in these situations.

Where applicable, teachers discuss and explain what's happening or how someone is feeling.

Activity 2: Creating Emergency Contact List

- Learning Objective: Children will be able to understand there are different numbers that they can call in the event of an emergency
- Materials: Vanguard sheet or A3 papers

Guide the children to create an emergency contact list with drawings. E.g. For 995, children will draw an ambulance or fire truck for emergency ambulance & fire; for 999, children will draw police officers or police car.

Activity 3: **What is this for?**

- Learning Objective: Children will be able to identify the functions of the first aid items.
- Materials: 8-10 first aid items and printed pictures of the 8-10 items

Place the items in front of the children. Show the printed pictures of the items, one at a time and get the children to point out which item on the table matches the picture that the teacher is holding. Get the children to recall their names and purposes. Give several minor accident scenarios and ask the children to recommend the first aid items that can be used to treat these injuries. E.g. Knee scrape after falling at the playground.
