

Local Produce Craft - Golden Pomfret

Have fun cutting and assembling the parts together!

Singapore produces about 10%* of the fishes we consumed? By choosing to buy locally farmed fishes, you are supporting local farmers and helping to ensure a continuous supply of fresh food for Singapore.

Local Produce Craft - Nai Bai

Have fun cutting and assembling the parts together!

Vegetables are a great source of nutrients for our daily diet. Locally farmed vegetables take a shorter time and distance to get to consumers. This means they arrive fresher and retain more nutrients.
