# Singapore Art Museum

- SAM is the **first art museum** in Singapore.
- We are building one of the world's most important public collections of **Southeast Asian contemporary art**.
- We are **redefining the idea of the museum** by presenting art in multiple spaces.

# SAM Touch Collection

- The SAM Touch Collection is created to allow audiences of all backgrounds to experience **contemporary art**.
- These artwork adaptations are based on artworks by **Singaporean artists** in the museum's collection.
- The artwork adaptations come with **supplementary resources and materials**, such as audio guides.
