Resource Package for SSDB 2023

SCCC Package: My Little CookBook

WHAT is it?

Bilingual e-book which features local snacks related to a Chinese festival

Each snack includes:

- Its history and adaptation
- A fun fact
- Step-by-step recipe

Guess which Chinese festival is related to these snacks?

- Pineapple tarts (Chinese New Year)
- Tangyuan (Chinese New Year & Winter Solstice Festival)
- Mooncakes (Mid-Autumn Festival)

How to Use This My Little CookBook

Use this CookBook to teach about food and Chinese festivals, and how these festivals pass down filial piety, kindness and love

Ways to extend the activity:

- Craft-making of snacks
- Parent-child participation
- Give to others as a sign of appreciation

Why Use This My Little CookBook

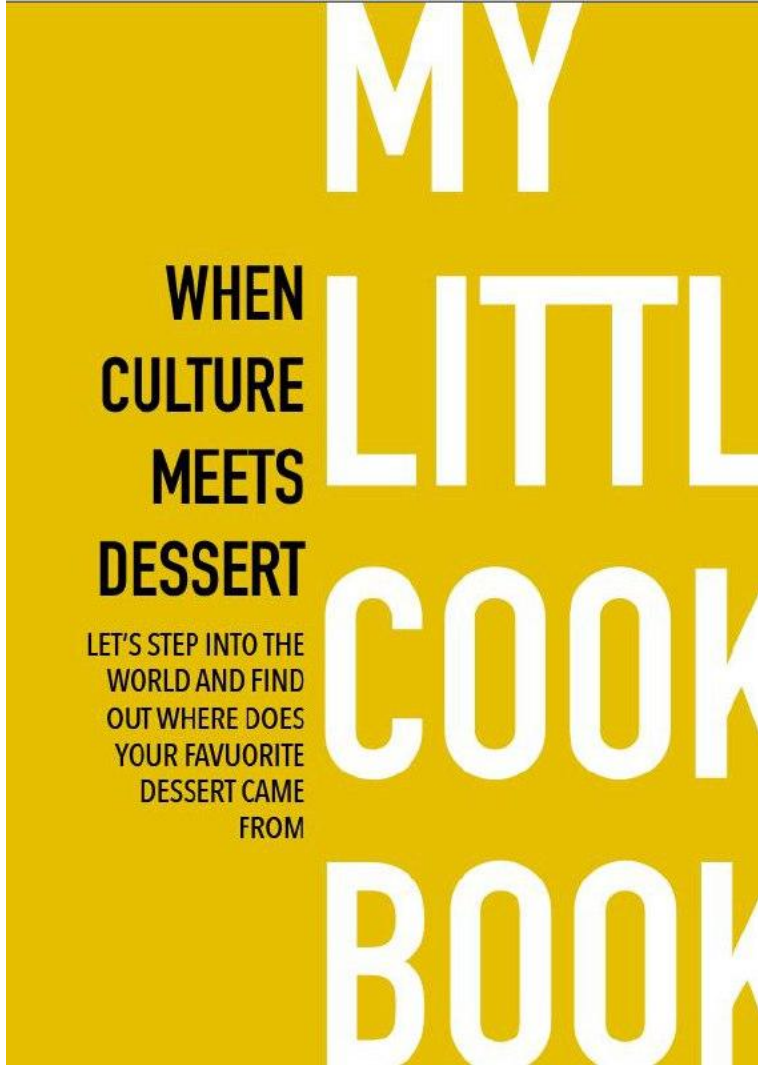

- Relevant to learning domains:
 - Language & Literacy
 - Discovery of the World
- Use food as a way to teach about a festival and family values
- Demonstrate that festivals are a way to pass down values

Student Learning Outcomes

- Identify three family values
- Learn about three Chinese festivals
- Learn about local snacks
- Create snacks related to the Chinese festivals
